  - Recreational
  - Tourism
  - Quality of Life

Roswell Regional UFO Skate Complex

PROJECT SCHEDULE

Public Input

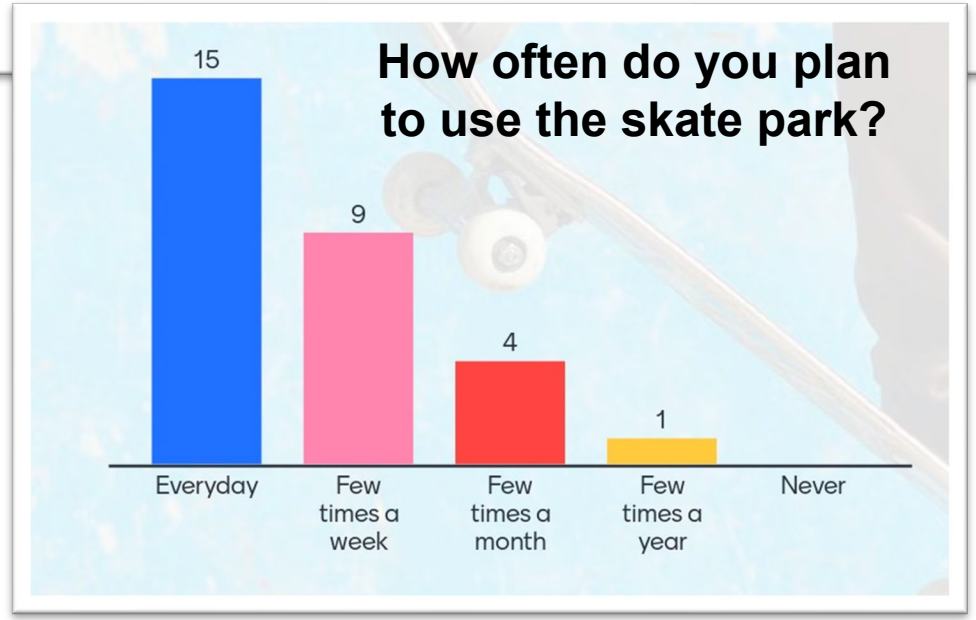

- *Public Meeting - March 8, 2024*
- *Online Survey*

What do you see as the greatest value of a regional skate park?

I am excited for a regional skate park because…

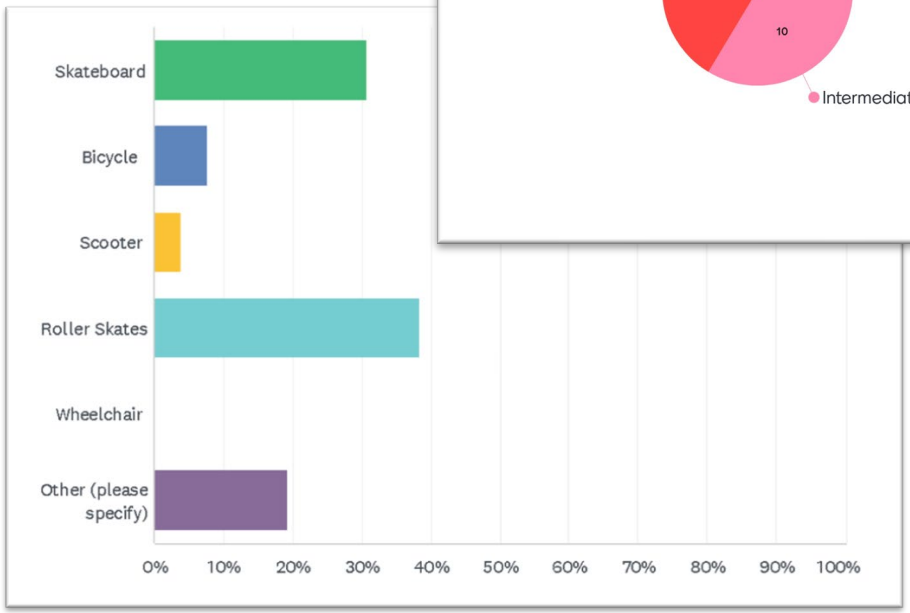

I really want a flat safe place to skate i really hope we get that!	Having a safe place for kids to skate	My daughter loves to roller skate and wants to be a derby girl
Our youth need a safe place to play	we need proper things to skate with good flow. a modern vert/street sections with advance/beginner areas as well. snake run proper spacing, ufo themed to bring people. and ufo skate modules	proper bowls for vert skating or surf style skating.

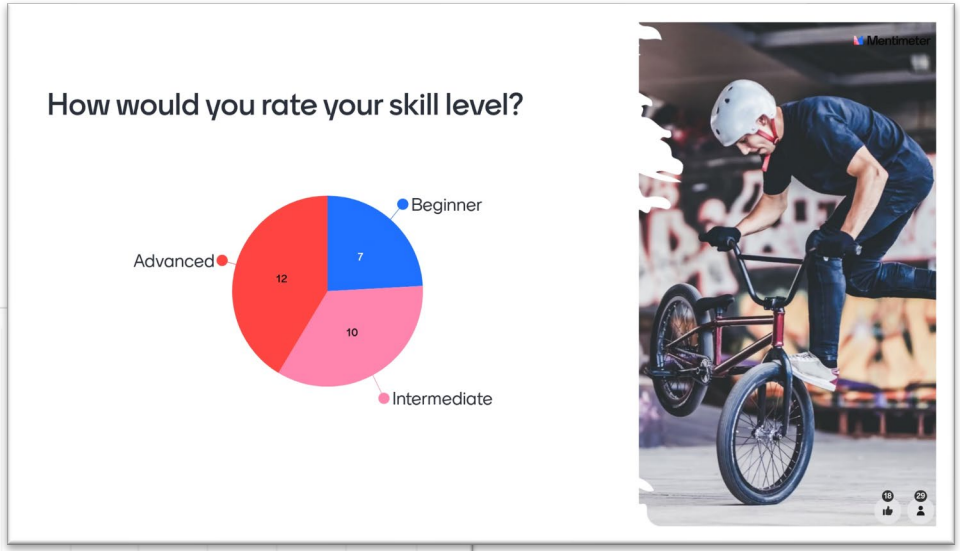

Public Input

- **Request for amenities**
  - *Shade*
  - *Bathrooms*
  - *Lights*
  - *Bleachers*
  - *Picnic tables*
  - *Drinking fountains*
  - *Security phone*
  - *Parent-viewing area*

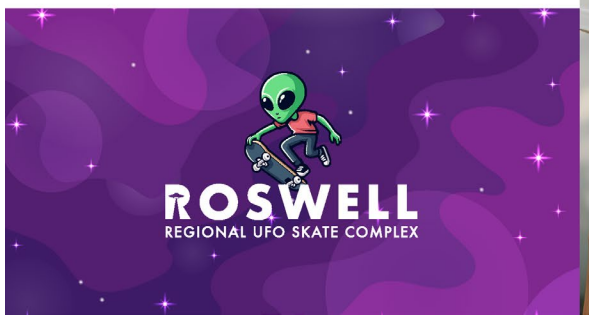

SKATEPARK NAME AND THEME

ROSWELL REGIONAL UFO SKATE COMPLEX

Poll Question #1

The Roswell Regional UFO Skate Complex is a great name (Agree/Disagree)

Poll Question #2

The proposed logo is awesome (Agree/Disagree)

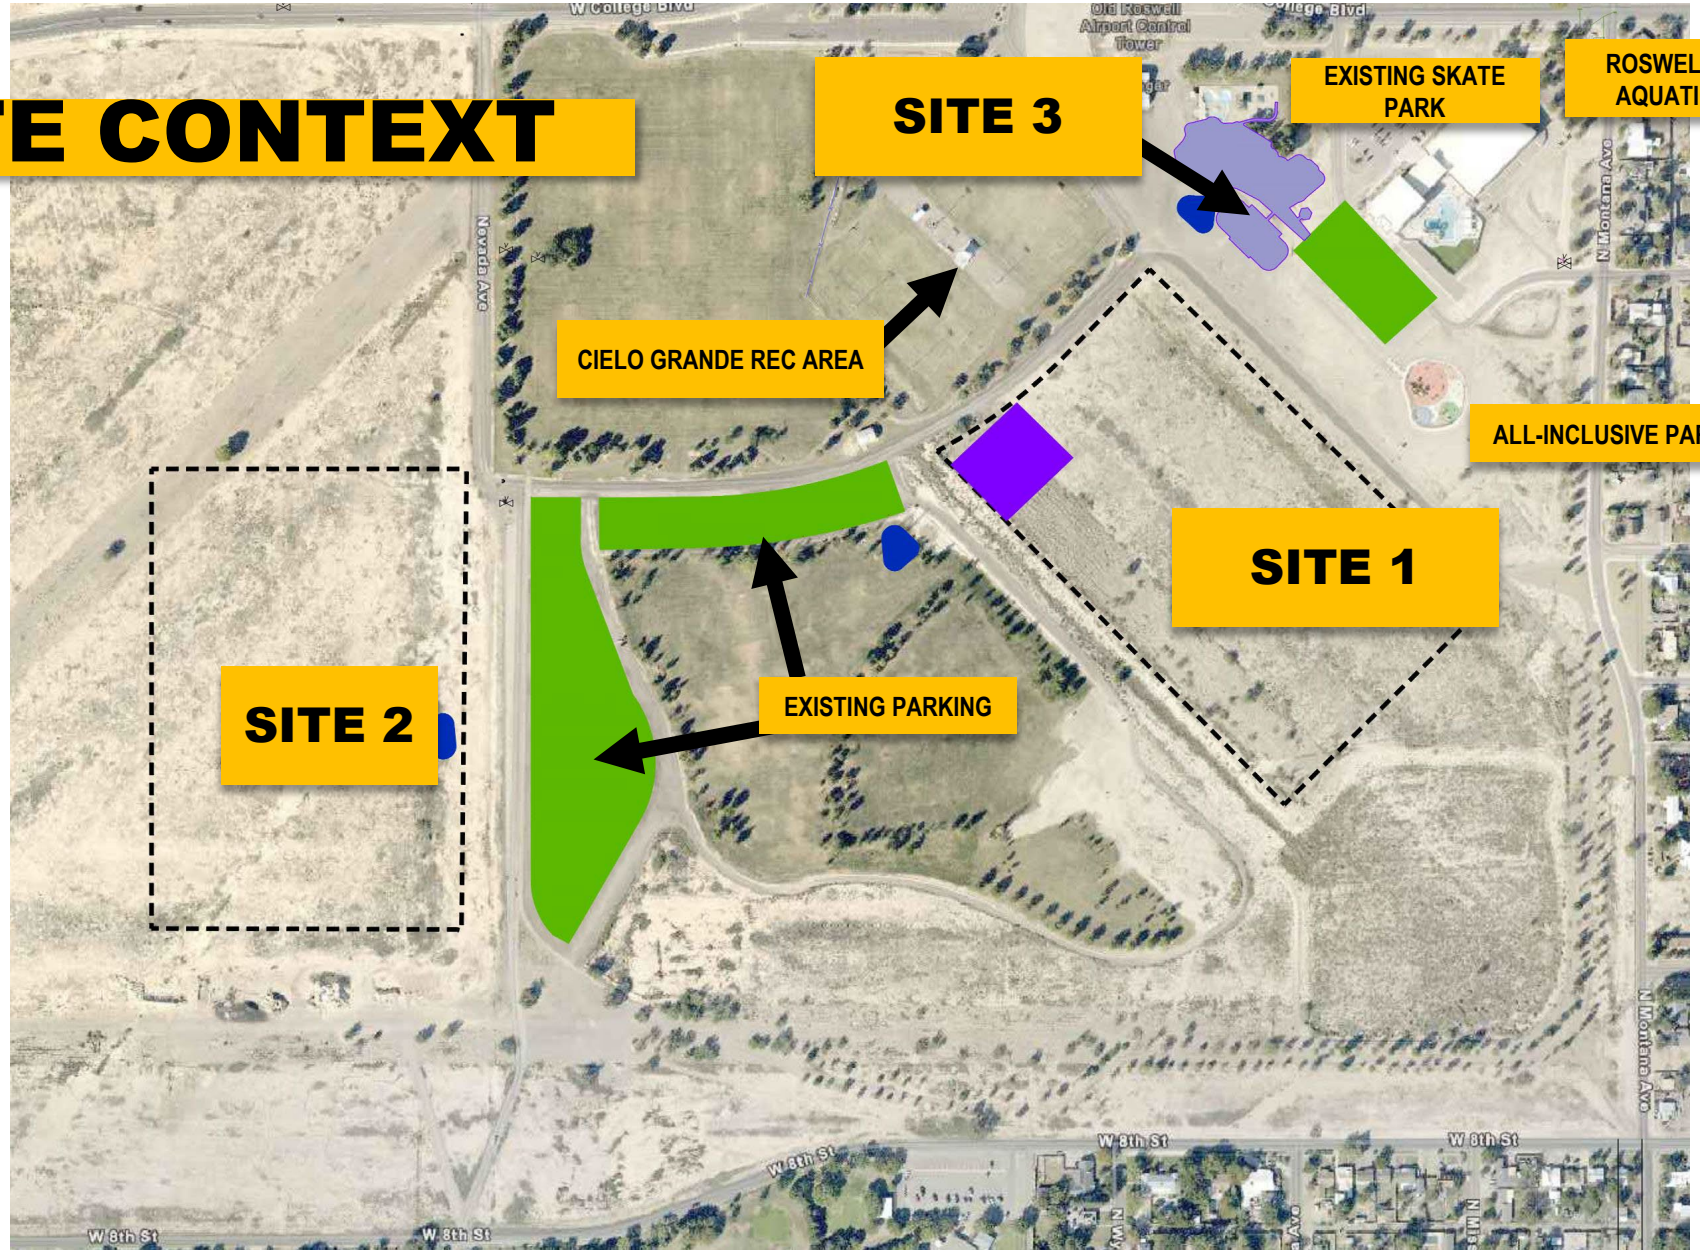

PARK SITE SELECTION

VICINITY MAP

SITE CONTEXT

Site 3

- Added after Public Meeting #1 and presented at Council Workshop

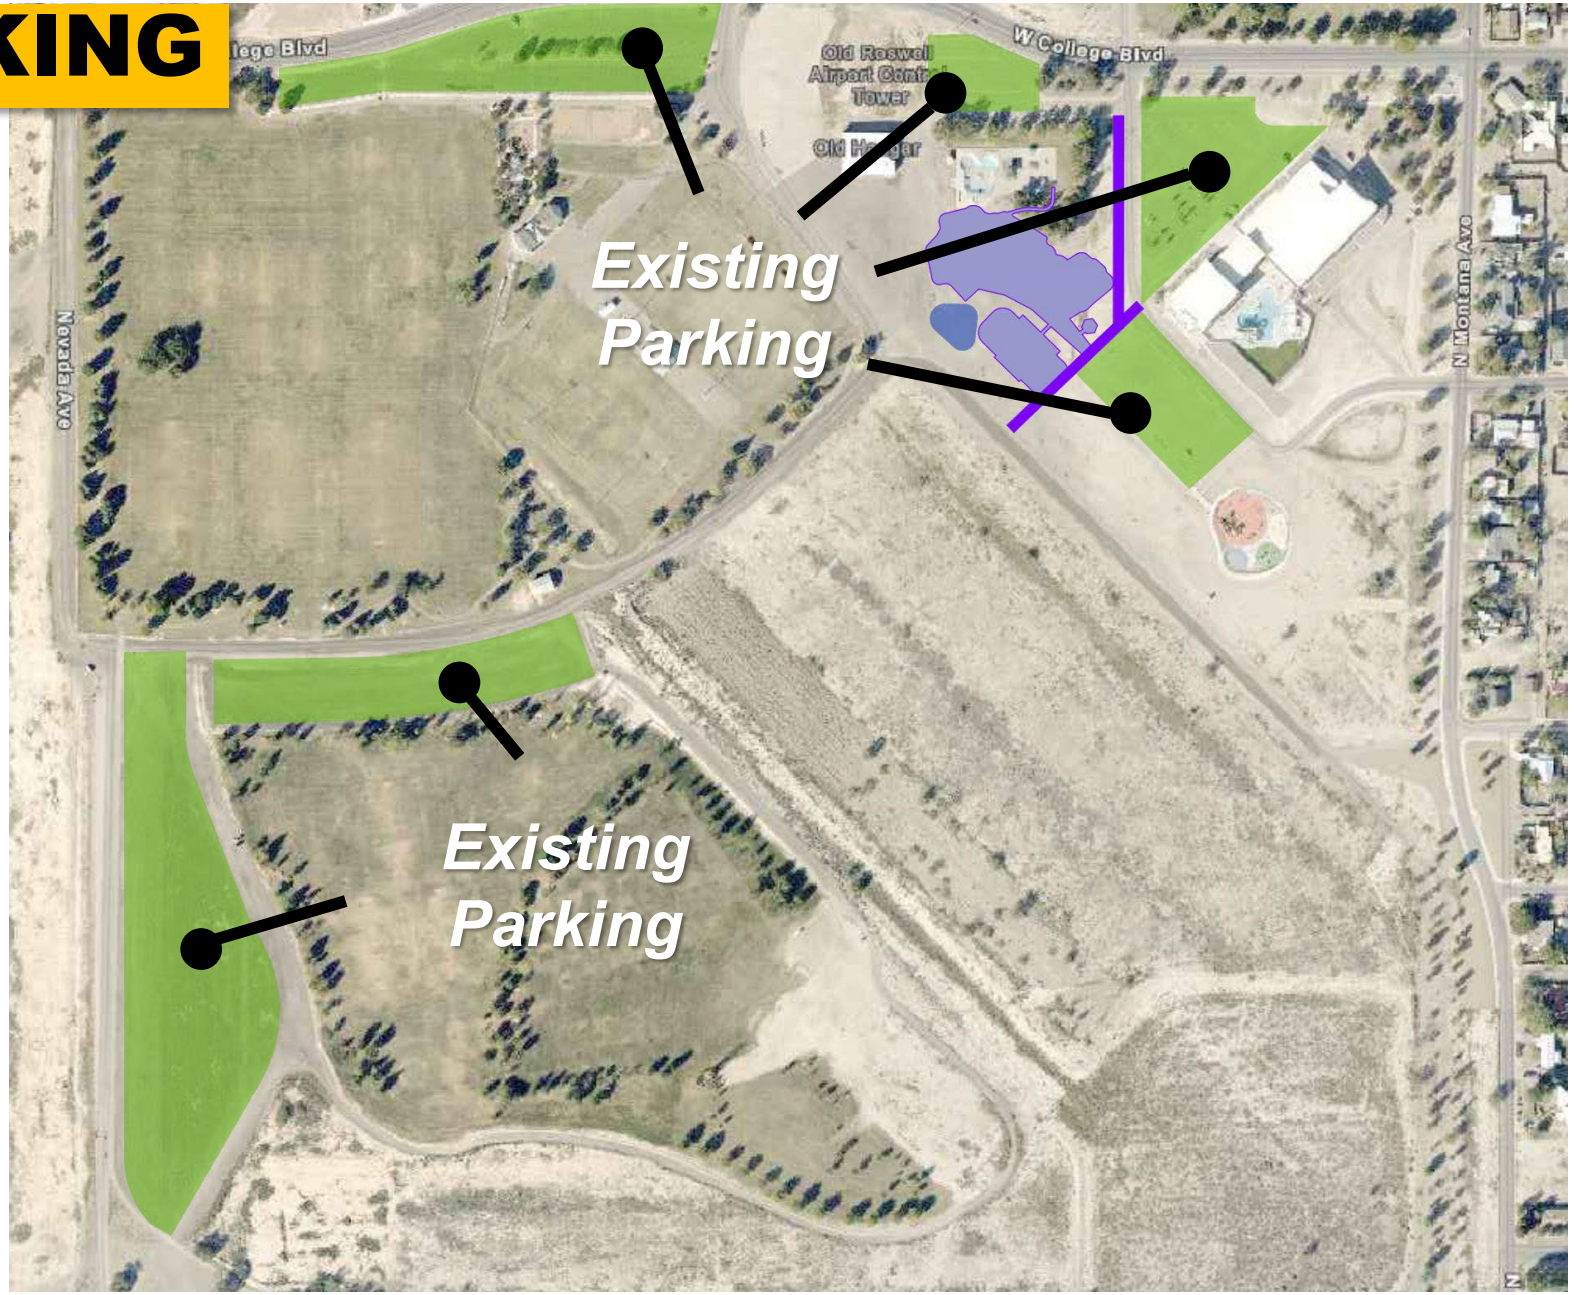

SITE 3 EVALUATION

- Existing utilities can be used to supply sewer, water, and electric
- Nearby existing parking and skate park
- Established access roads
- Proximity to nearby recreation facilities
- Walking trail access to adjacent neighborhoods
- Better proximity to nearby trails, recreation facilities
- Site is more constrained and provides less space than the other sites

****1.5 acre skate area; location/orientation within site boundary subject to change***

PARKING

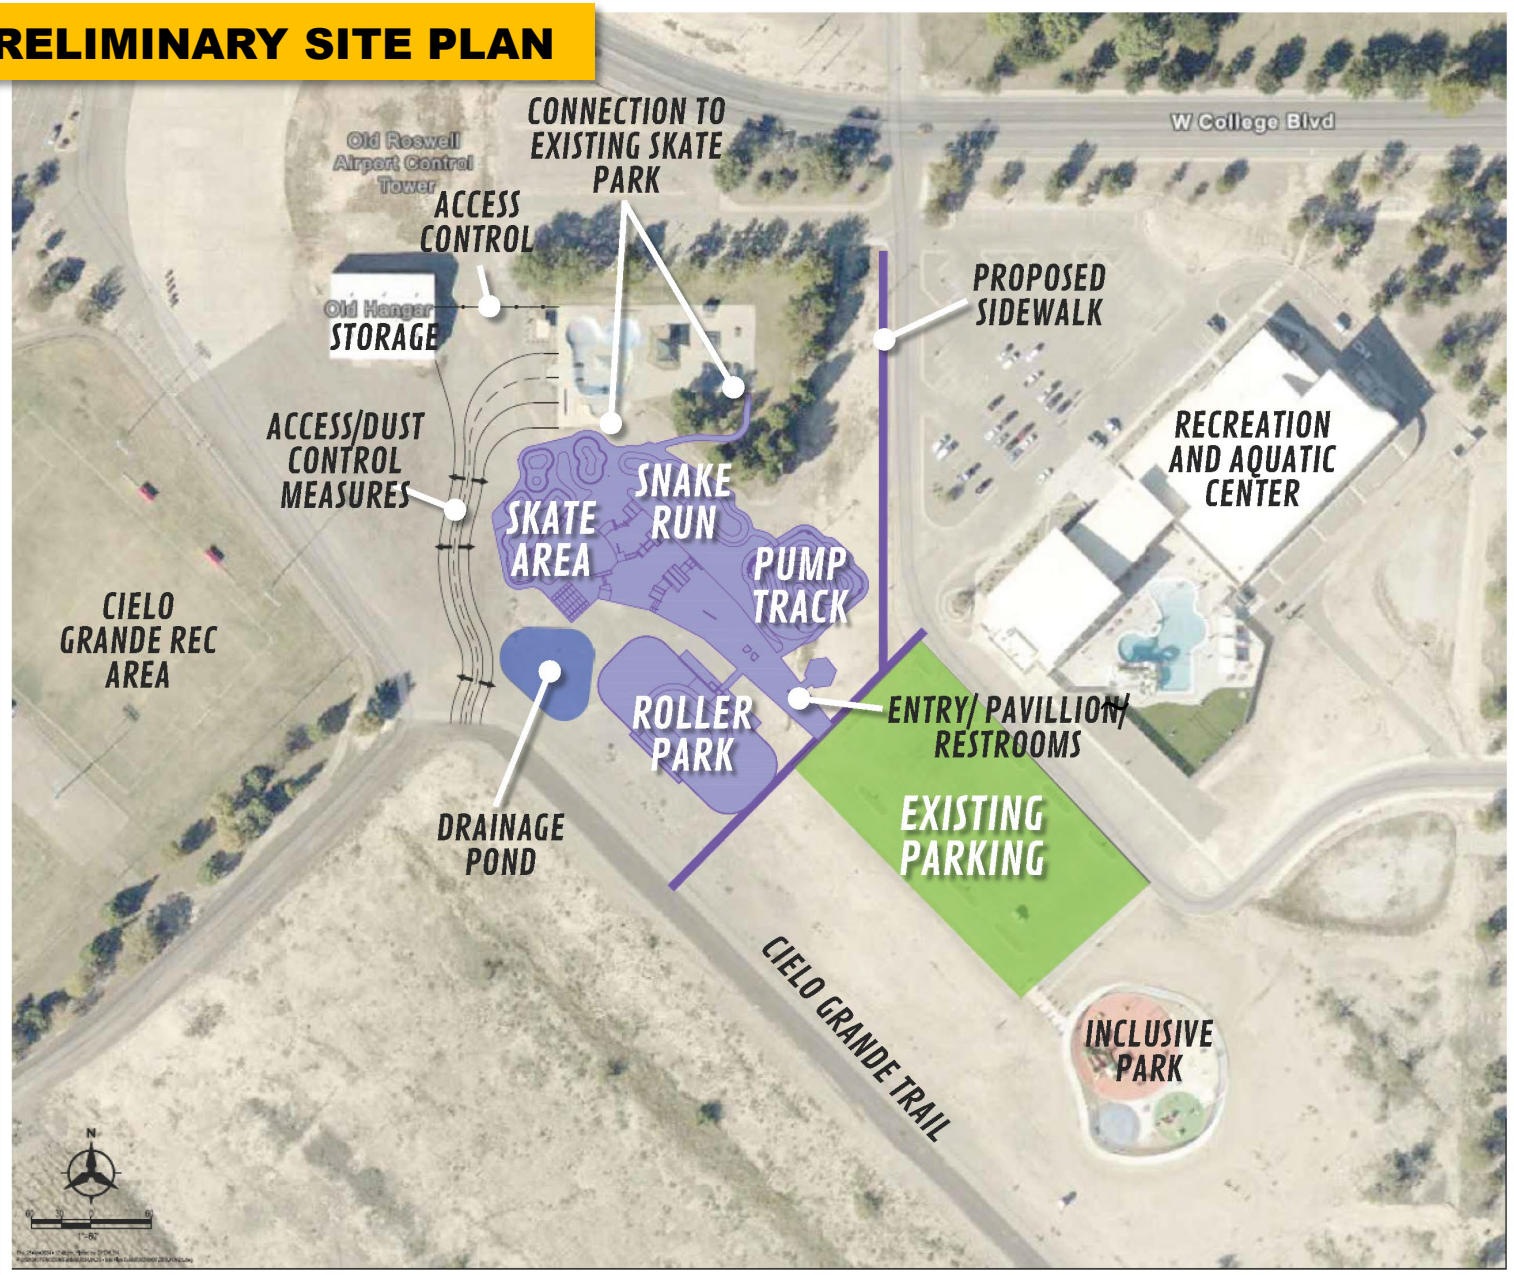

Parking

- No new parking constructed
- Plenty of existing parking within the Cielo Grande Complex

PARK ELEMENTS

PRELIMINARY SITE PLAN

SITE STATISTICS

- 37,000 square foot Skate Park
- 10,500 square foot Pump Track
- 16,320 square foot Roller Derby
- Total Skate Park ~1.0 acres

- Parking/Sidewalk Connections
- Drainage and Landscape Areas
- Lighting/Fencing/Security

- **Grand Entry**
  - Seating / Viewing area
- **Beginner Area**
  - Near entryway- progresses to more difficult elements
  - Smaller obstacles
- **Restrooms**
