PROJECT OVERVIEW

WHY A NEW REGIONAL SKATE PARK?

- **Current Skate Park**
  - **Phase I built in 1999**
  - **Phase 2 built in 2003 (repairs/maintenance)**
- **Roswell has passionate community of skaters**
  - Skateboarders, roller skaters, BMX bikers, scooters, wheelchairs, and more!

"Skateboarding is an activity which contributes to the variety, vitality and security of outdoor public spaces. Skateboarders are tourists, consumers and participants in the arts, culture and economy of cities."

Anthony Bracali, chief architect of the Philadelphia Museum of Modern Art and skatepark advocate. (as shared in the Grant Application)

SITE CONTEXT

SITE 1 EVALUATION

- Existing utilities can be used to supply sewer, water, and electric
- Nearby existing parking and bathroom facility
- Established access roads
- Proximity to nearby recreation facilities
- Walking trail access to adjacent neighborhoods
- Restricts future recreation and sports facility development

SITE 2 EVALUATION

- Existing utilities can be used to supply sewer and water
- Nearby existing parking
- Established access roads
- Further from recreation facilities, trails, and nearby neighborhoods
- Utility easement through center of site may influence design
- Less restrictive of future recreation and sports complex development
